

MANIFEST SUPPORTIVE RELATIONSHIPS

FEBRUARY 2024 MANIFEST

Manifest (*noun*) – Your list of items to manifest your relationship desires in February.

ENERGY

Become aware of the reflective energies in your current environment as you build a strong deep bond with your inner spirit this month.

Lesson – The direct connection to who you are really being will quickly improve your manifesting skills. The power of your inner spirit's energy elevates your abilities to become the creator of your reality.

GUIDES

Become aware of your guides and teachers as you feel the 5th dimensional activation of your 1st, 2nd, and 4th chakras.

Lesson – Red light to keep you grounded to manifest more quickly. Orange light to inspire passion to stay focused, engaged, and committed. Green light to create with source energy of love as your manifestations grow, prosper, and radiate peace, abundance, and joy.

MINDSET

Become aware of what relationships you want to manifest in 2024.

Lesson – Manifesting works best when you can hold an image of what you desire in your mind.
