

MANIFEST YOUR OPPORTUNITIES

MAY 2024 MANIFEST

Manifest (*noun*) – Your list of items - *change, flexibility, and persistence* to manifest your opportunities in May.

ENERGY

You saw a shimmering portal of energy, its edges ripple like water, inviting you to step through. As you crossed through the portal, could you feel the air change?

Lesson – Be aware and feel when the air changes and the energy shifts. Let the scent of wildflowers and ancient spells fill your senses. Be ready for the unexpected.

GUIDES

Become aware of what your guides Clio and Merlin are trying to teach you. Clio encouraged you to adapt and embrace the winds of transformation. Feel it in your core. Merlin said persistence is the alchemy of dreams.

Lesson – Commit to the journey. Even when answers elude you, keep moving. Trust the flow. The right path is not always linear. Follow the whispers of your heart.

MINDSET

Know that you are now a weaver of your destiny, a seeker of miracles.

Lesson – May your opportunities bloom like enchanted flowers, and may you never forget the magic within.
