

5 About MCFM Global Academy INFOGRAPHIC

1

Solving Industry Big Problems

MCFM Global is designed to tackle the FM industries big problems by bridging the upskilling and resource shortage gaps in the FM industry through education.

2

Our Vision

To create a talent pool of high calibre professionals. Educate thousands of young adults and industry professionals globally.

Raise awareness of mobilisation and transformation as an FM career. Be an entry point into the industry for diverse communities.

Our Vision

01 Inspire

02 Educate

03 Energise

3

Our Partnerships

We partner with Subject Matter Experts to deliver quality education across all aspects of mobilising and transforming contracts and services. We collaborate with Industry Education Institutions, Corporates and Clients.

4

The Scholarship Fund

Through our Scholarship fund we will be able to provide our Academy services free of charge to underprivileged, disadvantaged and diverse communities aligning with our Vision to provide quality education in this specific field of FM.

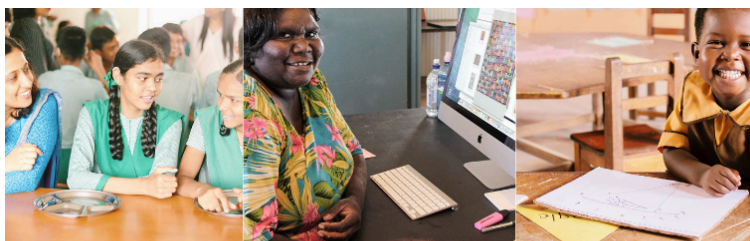

5

Social Impact

5% of every course, workshop, accelerator and transformation program contributes to our SDGs Quality education, mental health and well being, collaboration and partnerships.

We've created
over 160 impacts
globally!

This year, we've given:

- ✓ 16 days of mental health support
- ✓ 3 day of business training
- ✓ 22 days education for girls in the Congo
