

# MANIFEST YOUR POWER

# AUGUST 2024 MANIFEST

Manifest (*noun*) – Your list of items - *imagine, create, and feel* to manifest your power in August.

## ENERGY

Merlin asked you to use the keyboard to create your intention for what you want by creating a picture, then adding color and emotion. Then he asked you to use your keyboard to create a vibrational image of you, showing your second chakra glowing with a bright, colorful silver magnetic tractor beam, pulling your desired picture into your life.

*Lesson – You have the power to magnetize whatever you want into your life.*

## GUIDES

Merlin chanted sacred sounds to raise your vibrational manifesting energy. He put his hands on your head and your heart to activate your new abilities to manifest your power. Could you feel the shift?

*Lesson – It's important to know that you attuned to the 5th dimension, manifesting energies, now and forever.*

## MINDSET

To see beyond this reality, you must imagine what you want, create a picture, and use your magnetic tractor beam to bring it to you.

*Lesson – It's important to believe you have the power to manifest.*
